  Industrial Alcohol Programmes 91
  29th International Conference on Alcohol and Drug Dependence (1971) 92
  lost production in U.S.A. 91
  major Australian industry 91
  National Alcohol and Drug Dependence in Industry Committee (1975) 93
  National Council on Alcoholism (N.C.A.) 92
  National Institute for Alcohol Abuse and Alcoholism 92
  Victorian Foundation on Alcoholism and Drug Dependence 92
  WHO estimates of alcohol-related accidents 91
Antimicrobial therapy, principles of 49
  in oral surgery 49
Antineoplastic drugs 206
Asian population 199-202
  Census (1991) requirements 202
  demographic data inadequate 202
  District Health Authorities survey 199-201
  estimates of Asian population 200
  health needs 199
  planning services 199-202
  providing services 199-202
  religious composition data 200
  special diets in hospitals 202
  translated literature 202
  use of interpreters 202
Anglian Water Authority 9
Athletes foot 1
Association of Labour-Management Administration Consultants on Alcoholism 92
Australian Foundation on Alcoholism and Drug Dependence 92
Australian aboriginal health and change 188
  changes in lifestyle 189, 190
  diet change 189
  endemic trachoma in aboriginals 188
  genetic influences 190
  health beliefs 190
  health education 190, 191
  health needs 190, 192
  health services 191
  historical perspective 188

Benjamin Ward Richardson Memorial Lecture 180
Blood lead measurements 65
Blood pressure in South Carolina children, dietary aspects 68, 70
  blood pressures by sex and race 68
  etiological factors in adolescent hypertension 68, 70
  influence of lifestyle 68, 69
  influence of sodium and potassium hair concentrations 69, 70
  role of salty foods 69
BMA New Charter Working Group Report (1979) 108
Book reviews 42, 81, 119, 157, 195, 232
Boyles International machine (anaesthesia) 124
Brandt Report 219
Breast milk and drugs information service — see drugs 99
British Dental Health Foundation 33
British Paediatric Association (BPA) 215, 216, 217
British Standard (BS 2750) for acoustic requirements 137
British Standard (BS 4310) for lead content of paint 64
Bruner's theory of cognitive development 62

Caledonian Cattle Market 180
Californian deafness research centres 63
Cambridge University unit for deafness research 63
Campaign for Lead-free Air 98
Cancer chemotherapy 206
Cancer Education Co-ordinating Group (U.K.) 163
Cancer, aims and objectives of education 166
  attitudes to 161
  causative factors held by public 163
  cervical cancer mortality ratios 163
  coming to terms with 166
  early warning signs 162
  general knowledge about 162
  health practices by doctors and nurses 164, 165
  information to patients 165, 166
  myths and misconceptions 161
  prevention in public mind 163
  professional beliefs about 164
  psychosocial impact of 161
  questions from the public 164
Caring, caring for communities 127
  caring for individuals 126
  conceptual model 129
  co-operating in 126-129
  health care planning teams 127
  joint care planning teams 127
  multidisciplinary assessment teams 126, 127, 128
  plans of individual bodies 128, 129
  resources for caring 128
  use of resources 126
Causation and prevention of birth defects in Nigeria 116-118
  assumed causes of birth defects 117
  general characteristics of sample 117
  mothers' beliefs 116-118
  need for health education 118
  supposed preventive measures 117
  type of birth defects 117
Central Public Health Laboratory (U.K.) Enteric Pathogens Division 215, 216
Centre for World Development Education 218, 219
Chelsea School of Chiropody 3, 175
Chiropodists, State Registered 174
Chiropody, training in 174
  education complexity 174
  equipment in use 174
  curriculum parameters 174, 175, 176
  need for research 175
  role of UCL 175
  schools of 174
  State Register 174, 175, 176
Christian Aid 218
City of London Corporation 180
City of London Migraine Clinic 171
Clinical Trials Exemption Certificate 5
Cognitive development, Bruner's theory 62
  Piagets' theory 62
Committee on Instrumentation, Control and Automation 10
Committee on Toxicity of Chemicals in Food 28
Communicable Disease Surveillance Centre (CDSC) 215, 216, 217
Community Relations Council 200
Consumer Product Safety Act (U.S.A.) for lead contents 64, 65
Cot deaths, prevention 203-205
  factors involved 203
  incidence at Gosport 203
  Sheffield scoring system 203
  use of computer 204, 205
Council for Professions Supplementary to Medicine 3
Cyclophosphamide absorption 206
Cytotoxic drugs 206
Consumer attitudes to health services in East Dorset 75
  ambulance/car service 75, 78
  assessment of health services 78
  chiropody services 77
  Community Health Council 75, 76
  community health service 75
  consumer attitudes monitoring 76
  criticism of GP receptionists 77
  family practitioner services 75, 76
  health care services criticisms 75, 79
  hospital services 78
  maternity services 78
  ophthalmic services 77
  pharmacy services 77
  problem areas 75
  response to dental services 77
  services for children 78
Control of Pollution Act (1974) 18

Deafness, attitudes toward 54, 55
  causes of sensorineural 56
  in old age 56
  medical and surgical treatment of 56
  Meniere's disorder 56
  recruitment condition 56
Deafness, congenital 62, 63
  adult acquired profound deafness 63
  Bruner's theory 62
  Cochlear Implant design 63
  comparison with hearing children 62
  computer based training systems 62
  deaf-mutism prevalence 63
  effect of ageing 62
  electrical simulation of cochlear 63
  feedback model (Lenneberg) 62
  hereditary factor 62
  human cortex in language behaviour 63
  manual communication 62
  Piaget's theory 62
  research centres for deafness 63
  role of psycholinguists 62
  speech training aids 62
  variation between sexes 62
  visual display of speech characteristics 62
Dental care for the elderly handicapped 208-209
  attitudes and expectations 208
  availability of services 208
  domiciliary service 208
  emotional barrier 208
  fear of the dentist 208
  inaccessibility of services 208
  methods of referral 209
  the domiciliary kit 209
  worry of cost 208
Dental caries research, recent developments 27-30
  acesulfame-K as intense sweetener 29
  aspartame as intense sweetener 29
  bacterial control 27
  bulk and intense sweeteners 28, 29, 30
  fissures sealants coating of sites 27
  food and eating habits 27
  hydrogenated glucose syrups (Lycasins) 28
  immunisation to build resistance 27
